AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

April 30, 2003

Sir:

The following amendments and remarks are respectfully submitted in connection with the above-identified application in response to the Office Action dated January 30, 2003.

IN THE CLAIMS:

Please amend claim 1 as follows:

-
1. (amended) An organic electroluminescent display comprising:
a transparent substrate,
an organic light emitting layer which is formed on a back surface side of the transparent substrate,
electric current supply means which makes an electric current flow through the organic light emitting layer,
a housing which covers at least the organic light emitting layer and is sealed to the transparent substrate, and
